Balance of Account: The balance of the charges for the semester is due prior to enrolling for class. Those who cannot pay their accounts in full must make satisfactory financial arrangements with the University Business Office to obtain clearance to register.

CHARGE REDUCTION POLICY FOR CLASS WITHDRAWAL

Registration in any graduate program is considered a contract binding the student for charges for the entire semester. However, it is the policy of Gardner-Webb University to give pro-rata charge reductions through 60% of the enrollment period in the event a student **OFFICIALLY WITHDRAWS** from class(es). In order to withdraw officially, the student must contact the Registrar in person or by phone at 704-406-3966. Withdrawal must be completed prior to the end of the semester in order to be official.

Reductions will be computed on total charges for tuition, room and board but not on fees and textbooks. Students leaving for disciplinary reasons will not be eligible for any reduction and will be liable for the entire semester's charges. For purposes of interpreting this policy the pro-rata charge reduction percentage is equal to the number of **calendar days** (includes weekends) remaining in the semester divided by the number of calendar days in the semester. No charge reductions will be given after the 60% period of enrollment for the semester.

When a student's charges are reduced, Federal, State, Institutional and Non-institutional Aid will be adjusted in accordance with the regulations governing the respective programs. Please contact the University Business Office for current regulations concerning these programs. Leaving the University without officially withdrawing may result in a student's forfeiting all financial aid and, thus, becoming responsible for the entire balance.

DELINQUENT STUDENT ACCOUNTS

A student with outstanding financial obligations may be prevented from registering for the following semester. A student will not be allowed to participate in commencement exercises or receive a diploma, nor will transcripts be released, until all financial obligations are satisfied. Delinquent accounts may be referred to collection agencies and/or credit bureaus. Financial obligations include, but are not limited to, student account balance, parking, disciplinary and library fines, and returned checks.
